ROBERT KENNEDY

MEMORANDUM FOR MR. TOLSON
MR. MOHR
MR. DE LOACH

I called the Attorney General and advised him that I had learned that he had never picked up his law degree from the University of Virginia and asked him if he wanted us to pick it up for him sometime.

The Attorney General stated that as a matter of fact he hadn't picked up his degree from Harvard either. I stated I did not know whether or not he wanted his degree from the University of Virginia, but our Agent at Richmond had met somebody at the University who had said they still have the Attorney General's diploma.

The Attorney General stated if someone were going through Charlottesville sometime, they might pick it up for him. I stated I would have this done.

Very truly yours,

/s/ J. E. H.
